MISSION

Our Quest

We pursue wisdom, truth and knowledge for our students and ourselves.

Vision

Through visionary leadership, outstanding teaching and high-quality service, Navarro College will achieve distinction as an exemplary two-year institution where quality teaching and learning prevail and students are well prepared to engage in higher levels of education, leadership and employment.

Purpose

Navarro College seeks to maintain a stimulating and culturally diverse environment wherein students will be inspired to commit themselves to a high level of personal integrity and intellectual rigor. Through an integrated program of general education and support services, students are afforded the opportunity to develop abilities, which enable them to be responsible stewards of their talents, skills and material resources and to acquire a passion for life-long learning. An open door, public, comprehensive community college, Navarro College primarily serves the educational, civic and business communities in Navarro, Ellis, Limestone, Freestone, and Leon Counties. The college also attracts students from the rest of Texas, from throughout the United States and many other countries, welcoming students from all cultural, educational and socioeconomic backgrounds. Navarro College is alert to the changing educational requirements of its constituency and the social and political forces at work within the communities it serves and responds to these changing needs with enthusiasm, creativity, intelligence, and hard work.

The college operates in harmony with its enabling statute identified in the Texas Education Code, Section 130.003, which states that the charge of each public community college shall be to provide:

- * technical programs up to two years in length leading to an associate degree or certificates;
- * vocational programs leading directly to employment in semi-skilled or skilled occupations;
- * freshman or sophomore courses in arts and science;
- * continuing adult education programs for occupational or cultural upgrading;
- * compensatory education programs designed to fulfill commitment of an admissions policy allowing the enrollment of disadvantaged students;
- * a continuing program of counseling and guidance designed to assist students in achieving their individual educational goals;
- * workforce development program designed to meet local and statewide needs;
- * adult literacy and other basic skills programs for adults; and such other purposes may be prescribed by the Texas Higher Education Coordinating Board for post-secondary education in Texas.

In evaluating its mission Navarro College considers institutional research an essential element in determining how effectively it achieves the purposes stated above. In addition, the college supports academic research consistent with the primary function of the institution.

Core Values

We believe in:

- *providing an accepting, comfortable and safe learning environment conducive to personal growth and development;
- * recruiting and cultivating a caring faculty and staff dedicated to teaching and service excellence;
- * ensuring universal access to affordable higher education through both traditional and innovative delivery systems;
- *encouraging students to participate actively in the learning and decision-making process;
- * and in upholding the dignity and worth of every human being.

**ADMINISTRATIVE POLICY
AND
COLLEGE CREDIT POLICY**

ATTENDANCE POLICY

Regular and punctual class attendance is expected at Navarro College since it is assumed that students are enrolled for the serious purpose of furthering their education. Excessive absenteeism is defined as being equivalent to two weeks of instruction in a 16-week semester and may result in failure or being dropped from the course.

The attendance policy for certain courses may be more stringent than the general policy at the discretion of the instructor or as required by the THECB (Texas Higher Education Coordinating Board) policy and law. Faculty will discuss the course attendance policy at the beginning of each semester; however, students are responsible for reviewing the course syllabus and outline of each class and for knowing the attendance requirements for the course. Class rosters will be certified at 60 percent of the semester by all instructors. Students not attending classes will be dropped.

Veteran's benefits recipients must be dropped from a course for benefit purposes within three (3) weeks after their last date of attendance. The VA benefit recipient needs to be aware that the VA may require repayment of all benefits received since the beginning of a semester for any course in which a "W" grade is received.

SATISFACTORY ATTENDANCE AND ACADEMIC PROGRESS REQUIREMENTS FOR RESIDENCE LIFE

The Navarro College Board of Trustees has adopted the following requirements for all students residing in residence halls. The intent of this policy is to ensure success for students during the semester. The 15 semester credit hour (15 SCH) minimum enrollment is designed to allow students to maintain 12 semester credit hours (12 SCH) so that students may continue to be eligible to reside in the residence hall and maintain financial aid eligibility if it becomes necessary to drop a course.

1. Enrollment in 15 SCH while Maintaining 12 SCH

All students living in residence halls are required to enroll in at least fifteen (15) semester credit hours and maintain twelve (12) semester credit hours during the sixteen-week fall and spring semesters. Enrollment in at least three (3) semester credit hours is required for residents enrolled in a mini-semester or summer term, and at least six semester credit hours is required for residents enrolled in an eight-week fall/spring term. This policy is effective fall 2007 for first semester freshmen, spring 2008 for first and second semester freshmen, and fall 2008 for all students living in residence halls.

2. Attendance Requirement

All Residence Life students will be monitored to assure that they are in strict compliance with the Navarro College Attendance Policy as cited in the Navarro College catalog. Excessive absenteeism is defined “as being equivalent to two (2) weeks of instruction in a sixteen (16) week semester.”

At the end of the fifth, eighth and 10th week of classes, faculty will be required to submit a listing of students with excessive absenteeism or not attending classes (exceptions to this policy will be excused absence due to athletic competition, illness verified by medical doctor, or excused absence by the faculty). This attendance report will be administered by the vice president of

student services and a copy of the report will be provided to the Student Financial Aid Office and the Residence Life office.

Students residing in residence halls who are in non-compliance with this policy will be given one warning commensurate with the first offense. Students will be informed they are subject to removal from residence life at the college with one additional occurrence. Notice of the second unexcused absence will result in the student being dismissed from the Navarro College Residence Life Program.

The vice president of student services will require all Residence Life students not attending class or with excessive absences to move out of the residence hall within 48 hours.

3. Grade-Point Average (GPA) Requirement

Any student who completes any fall or spring semester and has achieved a grade-point average that is less than a 1.0 GPA will not be eligible to reside in the residence hall facilities for two years after the completion of the referenced semester.

4. Course Load Requirement

Students residing in residence halls must ensure that their course load includes at least two-thirds traditional lecture/laboratory form with face-to-face teacher-student relationship in a classroom on one of the Navarro College campus sites. This face-to-face teacher-student relationship must prevail throughout the full 16 week semester. Exceptions to this policy will be approved by the vice president of student services.

Students who fail to meet this requirement two consecutive semesters will not be permitted to continue as a resident student living on campus. If the student course load fails to meet this requirement at any time during a long semester and the student has been permitted to participate in the residence life program, the student will be removed from the residence life program within one week following notice in violation of college policy.

The Residence Life Department strives to provide a suitable environment for all residents during their stay on the Navarro

College campus. The purpose of this policy is to nurture residents and to support their academic progress during their enrollment at Navarro College.

The policies will be administered by the vice president of student services. Any appeals or exceptions to these policies must be approved by the Residence Life Appeals Committee composed of the director of residence life, the assistant to the vice president of student services, the director of student activities, a student representing the Student Government Association and a faculty member appointed by the Faculty Association Executive Committee.

FREE EXPRESSION AND PUBLIC ASSEMBLY PROVISIONS

Navarro College recognizes and supports the right of free expression and public assembly. This policy informs members of the college community and the public of the manner in which they may engage in constitutionally protected speech and expression at Navarro College. It is intended to ensure the primary educational purpose of the college, which includes promoting debate and the sharing of information.

The college will protect the rights of freedom of speech, petition and peaceful assembly as set forth in the U.S. Constitution. Navarro College maintains the right to regulate reasonable time, place and manner restrictions concerning acts of expression and dissent. Neither acts that are disruptive to the normal operations of the college, including but not limited to classes and college business, nor acts that invade the rights of others will be tolerated. Faculty, staff and students engaging in a disruptive activity may be subject to disciplinary action. Any participant in a disruptive activity may face criminal charges.

AREAS DESIGNATED FOR FREE SPEECH RESERVATIONS

The areas listed below are considered programmable space and are available on a first-come first-serve basis; however, college sponsored events have first priority on the use of campus grounds. Typically, use of the space will be assigned to the person or organization that requests

the area first. Therefore, reservations should be made at least five (5) working days in advance of the event for scheduling purposes.

a. Corsicana Campus

Lawn area east of the Kenneth P. Walker Dining Hall.

b. Mexia Campus

Lawn area on the west central side of the parking lot near the oak tree.

c. Midlothian Campus

Center of patio on the eastern side of the building leaving free access to and from the building through the doors located at either end of the patio area.

d. Waxahachie Campus

Lawn area immediately east of the Administration Building.

A free speech area may be reserved and made available for use between the hours of 8 a.m. and 5 p.m., for up to two (2) consecutive days if there are no scheduling conflicts and may be renewed if space is available upon approval by the vice president for student services. If a specific violation of a significant college interest or college policy occurs, the right to use of the free speech designated area will be revoked.

Individuals or groups wishing to use free speech areas should request use of the space through the Office of the Vice President for Student Services on the second floor of the Gooch One-Stop Student Center on the Corsicana campus. The “Free Speech and Public Assembly Organized Expression Activity Form” must be completed five (5) days prior to the proposed event. The college reserves the right to relocate any assembly at any time to ensure that the activity does not interfere with the normal operation of the college or interfere with the rights of others.

GUIDELINES FOR FREE EXPRESSION, SOLICITATION, AND PUBLIC ASSEMBLY

a. Speakers: In view of the desire of the college to promote free speech, the free speech areas of the campus are open to speakers for whom official arrangements to speak have been made with the college, following the provisions of this policy.

b. The Right to Dissent: The right to dissent is the complement of the right to speak, but these rights need not occupy the same forum at the same time. The speaker is entitled to communicate his/her message to the audience during his/her allotted time, and the audience is entitled to hear the message and see the speaker during that time. A dissenter must not substantially interfere with the speaker's ability to communicate or the audience's ability to hear and see the speaker. Likewise, the audience must respect the right to dissent.

c. Picketing, Solicitation and Distribution of Literature: Picketing in an orderly manner or distributing literature within the free speech areas is acceptable with the appropriate permit. Picketing is not permitted inside campus buildings or outside the free speech area. Non-commercial literature may be distributed only in the free speech areas. Distribution of commercial literature requires a separate solicitation permit and is limited to the designated free speech areas on campus.

d. Posted and Printed Materials: No signs, posters, or advertisements shall be nailed, tied, hung, written or otherwise affixed to any trees, bushes, buildings, walkways, posts, fences, or other college property. Posted materials may be placed on bulletin boards but may not cover previously posted material and may not extend beyond the edges of the bulletin board. Printed material may not exceed an overall size of 8" x 11". Defaced material is subject to removal.

e. Symbolic Protest: During a presentation, displaying a sign, gesturing, wearing symbolic clothing, or otherwise protesting silently is permissible unless it is a disruptive activity or impedes access, such as acts that block the audience's view, prevent the audience from being

able to pay attention, incite immediate breach of peace, threaten the welfare of others, or violate any college regulations, state or federal laws.

f. Marches: Campus marches are acceptable on campus with the appropriate parade/march permit in order to prepare for and facilitate the safety of participants and bystanders. The permit will outline expected attendance and approved parade/march route. Permits should be requested at least five (5) working days in advance of the event for campus marches.

g. Volume: The volume of any sound equipment may not exceed 75 decibels on the A scale at 50 feet from the source of amplification in order to keep from interfering with any academic or other program taking place in nearby buildings.

h. Conduct and Manner for Free Speech and Public Assembly: Those who schedule and/or participate in speech, expression, solicitation, or public assembly activities on campus must not:

- Threaten passersby.
- Interfere with, impede, or cause blockage of the flow of vehicular or pedestrian traffic.
- Commit any act likely to create an imminent safety or health hazard.
- Interfere with or disrupt any other lawful activity by anyone in the same general location at the same time.
- Post materials on any walls, windows, doors, sidewalks, trees, light poles, etc., or on any other college equipment except in designated posting areas.
- Conduct speech that includes fighting words, which are those words that by their very utterance tend to incite an immediate breach of peace.
- Engage in any other speech or action that is not allowed by law.

i. Expectations During Free Speech and Public Assembly

Additionally, those involved in any form of free expression on campus must adhere to the following restrictions:

·Public speech that is likely to incite or produce imminent lawless action or that is, under the current legal standards, either defamatory or obscene, is prohibited.

·In accordance with the Texas Education Code, it is unlawful for any person on any property either owned or controlled by the college to refuse to identify him/herself to a college official in response to a request.

A person may identify him/herself by presenting a student or faculty/staff ID card or driver's license or some other form of government-issued identification.

·Individuals who damage or destroy college property shall be held responsible for such damage or destruction. This includes the campus lawns, shrubs, and trees.

·A request for use of free speech areas may be denied if a college official determines that the proposed speech/activity will constitute a clear and present danger to the college's orderly operation.

·All applicable college policies and regulations, state and federal laws and municipal ordinances should be followed when engaging in activities on campus. Failure to do so may result in immediate removal from the campus and any other appropriate action by college officials and/or college police.

NO SMOKING

The purpose of this policy is to protect the health, comfort, and environment of Navarro College's students, employees and guests by creating areas on campus that are reasonably free from tobacco smoke.

1. Prohibition

Smoking is prohibited on the campuses of Navarro College except in designated smoking areas. Smoking also is prohibited in college-owned vehicles, in all residence halls and all residence hall parking lots.

2. Definition

“Smoking” means possession of any lighted tobacco product.

3. Designated Smoking Area

Smoking areas on each official campus of Navarro College will be designated by the college president. No area will be designated as a smoking area that is inside any building or within twenty (20) feet of any entrance to any building located on the campuses of Navarro College.

Designated smoking areas include:

a. Corsicana Campus – Northwest corner of the Gooch One-Stop Center; north of the Bain Center and east from the Computer Center; west side of the Waller Classroom Building; north side of Gibson Hall; south side of the Cook Education Center facing West Collin Street; and all parking lots with the exception of residence hall parking lots and no less than twenty (20) feet from any entrance to buildings.

b. Mexia – No designated smoking area other than the parking lot and twenty (20) feet from any entrance to the building.

c. Midlothian – No designated smoking area other than the parking lot and twenty (20) feet from any entrance to the building.

d. Waxahachie – Back northeast area of the campus, all parking lots and not less than twenty (20) feet from any entrance.

Additionally, all cigarettes and cigars are to be completely extinguished and deposited in the appropriate smoking receptacles within the designated smoking areas.

4. Public School Sites Utilized for College Functions

Navarro College students and staff are strictly prohibited from smoking anywhere on the college-owned grounds other than designated areas outlined above (3.). Smoking on public school grounds is in violation of Federal and Texas State Law (Texas Senate Bill 1, 1995, Sec. 38.006), which prohibits the use of tobacco on public school property.

5. Posting of Signs

Conspicuous signs shall be posted in any designated smoking area, stating that smoking is permitted in such area.

6. Reporting of Complaints

Complaints of non-compliance of this policy shall be reported to the Campus President of Ellis County campuses, the campus dean of the Navarro College South campus or to the vice president of student services.

7. Administration and Enforcement

The Navarro College Department of Public Safety shall, in consultation with proper state authorities, investigate and notify alleged violators of this No Smoking Policy. Violators are subject to fines, probation, and/or college suspension.

SPECIAL ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

With a commitment to equal access to facilities, activities and programs, Navarro College provides reasonable and appropriate accommodations for eligible students who are currently enrolled with regard to disabilities and with regard to an identified potential for success in higher education as defined in Section 504 of the Amended Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. Students requesting special accommodations must adhere to the following guidelines as per institutional policy set forth by the Navarro College Board of Trustees:

A student who would like to be considered for disability services must request services themselves through the disability services office at least four (4) weeks prior to the beginning of the semester. It is highly recommended that students allow this sufficient time prior to the first day of class for greater likelihood of academic success that semester.

A request for accommodation is considered on an individual basis once a completed application is submitted along with current and

complete documentation from an appropriate, qualified professional who has particular expertise in the area of the condition/disability.

Testing evaluations and other documentation should have been administered within the last (3) three years to be considered current. If documentation is insufficient or outdated, the cost of obtaining any professional verification is your responsibility. Documentation legitimizes a student's request for accommodation and, in general, includes the following:

- Must be comprehensive and substantiate the disability
- States specifically how the disability limits some major life activity, including learning
- Actual test scores from standardized instruments (adult version) must be provided
- Interpretative summary must be included
- Rationale for requested accommodations must be provided
- ARD reviews and IEPs are not valid

Psychological Disorder and/or Traumatic Brain Injury: Documentation no more than six months old with comprehensive psychological/psychiatric evaluation (over six months old must have letter from a professional updating current status and how the disability substantially limits some major life activity, including learning)

Deaf or Hard of Hearing and Blind or Visually Impaired: Certificate of Deafness/Blindness repaired

Students should submit all paperwork to the student support services office in the Gooch One Stop Center on the Corsicana campus; however, applications for services and procedures forms are available from counselors at all campus locations and on the college Web site under disability services.

When a student's special accommodation requires the contracting of an individual or agency, the college will choose the individual or agency with approval of the appropriate college administrator. The college

typically provides accommodations only for time spent in the classroom and for the semester in which the request is made. The student must remain officially enrolled in the class and adhere to the attendance policy. Students must request support services at least thirty (30) days prior to the beginning of each succeeding semester to ensure that accommodations are received the first week of class.

EXCUSED ABSENCES FOR RELIGIOUS HOLIDAYS

A student who is absent from class for the observance of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence if not later than the 15th day after the first day of the semester, the student notifies the instructor of each class scheduled on the date the student would be absent for a religious holy day. A “religious holy day” means a holy day observed by a religion that its place of worship is exempt from property taxation under Section 11.20, Tax Code. The notice shall be in writing and shall be delivered by the student personally (or by certified mail, return receipt requested) to the instructor of each class, with receipt of the notice acknowledged and dated by the instructor. A student who is excused under this section may not be penalized for the absence, but the instructor may appropriately respond if the student fails to satisfactorily complete the assignment or examination.

DROPPING AND/OR ADDING COURSES

Prior to the “registration closes” date as specified in the college calendar for each individual semester, a student may drop and/or add courses. However, tuition reimbursement is probated beginning with the first day of the semester as per the Refund of Tuition and Fees chart in the current class schedule. Furthermore, after the “registration closes” date, classes may not be added, and approval of the course instructor must be obtained in order to drop a class. Additionally, an instructor may drop a student from a course according to the terms written in the course syllabus and outline.

The VA benefit recipient needs to be aware that the VA may require repayment of all benefits received starting at the beginning of a semester for any course in which the student receives a “W” grade.

Students are responsible for completing required paperwork and for submitting the paperwork to the registrar’s office. Student should keep documentation on file of all drop/adds. Additionally, students are responsible for repayment of financial aid, if required.

NOTE OF IMPORTANCE:

SIX-COURSE DROP LIMIT

Under Section 51.907 of the Texas Education Code, “an institution of higher education may not permit a student to drop more than six courses including any course a transfer student has dropped at another institution of higher education.” This statute was enacted by the State of Texas in spring 2007 and applies to students who enroll in a public institution of higher education as a first-time freshman in fall 2007 or later. Any course a student drops is counted toward the six-drop limit if “(1) the student was able to drop the course without receiving a grade or incurring an academic penalty; (2) the student’s transcript indicates or will indicate that the student was enrolled in the course, and; (3) the student is not dropping the course in order to withdraw from the institution.”

NOTE: Any subsequent statute-referenced “bad” drop, whether faculty or student initiated, will result in the student incurring a failed grade of “F”. Please see the Attendance Policy for more information on attendance as it relates to faculty-initiated drops.

GRIEVANCE PROCEDURES

Staff Protocol in Response to Student Grievances

When a staff member is approached by a student with a grievance, the staff member should employ appropriate protocol. The student should be referred to the current Navarro College Student Handbook or the

current Navarro College catalog, specifically in reference to the sections on “Student/Instructor Conflict Resolution” and “Student Grievance Procedure.” Additionally, the staff member may summarize resolution of the student’s concern by recommending the following protocol: 1) communication with the offending staff member involved and 2) if not resolved, through subsequent communication with the supervisory chain of command. As always, students should be instructed to follow up on resolution of such matters and to consult the current Navarro College Student Handbook and/or the office of the vice president of student services for further, more specific information.

Student Grievance Procedure

Navarro College provides all college services on a non-discrimination basis. These services are provided without regard to sex, color, race, national origin, age, and handicap. The college each year assembles a Student Dialogue Committee through which students meet on a regular basis with college personnel to voice concerns/grievances and offer suggestions regarding the improvement of college services.

If a student has a grievance of any type and does not wish to voice it through the Student Dialogue Committee, the student may pursue the grievance on an individual basis. If the grievance is related to educational matters, the student should attempt to resolve the matter first with the instructor. If the problem is not resolved, the student should request subsequent conferences through existing channels available through the assistant dean and dean; if the problem is not resolved, the student may present the grievance in written form to the vice president of student services, who will initiate the formal process described below.

Students who have a grievance related to student services (activities, clubs, counseling, etc.) should first contact the director of counseling; if the problem is not resolved, the student may present the grievance in written form to the vice president of student services, who will initiate the formal process described below. A grievance related to housing will be brought to the attention of the director of residence life. If the

problem is not resolved, the student may present the grievance in writing to the vice president of finance and administration. A grievance related to athletics will be brought to the attention of the director of athletics. If the problem is not resolved, the student may present the grievance to the vice president of student services.

Students who have a grievance related to discipline must follow the Disciplinary Hearing Procedure found in the student handbook.

Students who have a grievance related to a final course grade must follow the “Grade Challenge Policy” found in the student handbook and the college catalog.

Formal Procedure

1. Any student who believes he/she has been discriminated against by college personnel for any reason, including discrimination on the basis of sex, color, national origin, age, or handicap, should contact the office of the vice president of student services.
2. The office of the vice president of student services will hear the student’s complaint and assist him/her by providing forms for them to document the issue.
3. After documentation is completed, the office of the vice president of student services will provide a copy of this information to the district president.
4. The vice president of student services may attempt to reconcile the matter if the complainant is agreeable.
5. The vice president of student services may collect and review salient points related to the issue or he/she may appoint a committee to assist him/her in this matter.
6. The committee will have a faculty member, an administrator, a member from student services, and a student.
7. The purpose of the review will be to determine if discrimination has occurred. After review, s/he/they will render a judgment with the basis for that judgment. The judgment will be forwarded to the vice president of student services for communication to the complainant.

8. If the complainant agrees with the decision, the vice president of student services will, in the case where there was discrimination, seek appropriate redress.

9. The complainant, when not satisfied with the decision, may appeal the judgment to the district president.

10. The district president will review the data and judgment rendered, make his/her own inquiries, including interviewing the complainant. After due study, a judgment will be decided. This judgment will represent the final institutional decision.

(Navarro College Administrative Policies and Procedures Manual, part of Section VI.11.00, 2009)

Student/Instructor Conflict Resolution

If a student feels an instructor has treated him/her unfairly, the student should take the following steps to resolve the issue. The college believes that matters involving an instructor and student(s) are best resolved at that level; therefore, the following procedures are recommended.

1. The student should first meet with the instructor to discuss the issue or concern. This approach ensures the instructor is aware of the issue/concern and provides an opportunity for resolution.

2. If after meeting with the instructor, the student feels the issue has not been resolved, he/she should next meet with the department chair and/or the appropriate assistant dean for further discussion. The instructor or the registrar's office can provide the name of the appropriate assistant dean.

3. If the student continues to believe the issue/concern remains unresolved, the student may meet with the appropriate instructional dean.

4. The expectation is that the issue/concern involving an instructor and student will be resolved by the time it reaches the instructional dean. However, if necessary the student may continue to pursue the issue with the vice president of academic affairs.

5. If after following all the above procedures, the student feels the issue has not been resolved satisfactorily, he/she may arrange a meeting with the district president. The district president is the final authority regarding student/instructor disputes.

NOTE: Under certain circumstances students may not be allowed to continue in class until the grievance or appeal is resolved.

WITHDRAWAL FROM THE COLLEGE

Any student who voluntarily withdraws from all classes for which he/she is enrolled must contact the Office of Admissions and Records for a withdrawal form. The withdrawal will not be official until the student signs the form and clearance has been obtained from the offices noted on the form.

Students who drop a class or withdraw from the college before the semester drop deadline will receive a grade of “W” (withdrawn) in each class dropped. The deadline for receiving a “W” is indicated on the academic calendar and the current class schedule. See “Refund Policy” for possible refund eligibility.

Additionally, students may be required to repay some or all financial aid received for the semester.

TRANSFER OF CREDITS

Navarro College has the highest accreditation possible for any college or university. Because of this recognition, Navarro College credits are regarded as equivalent to courses of the same description at all colleges and universities. Transfer problems occur when students elect to deviate from their approved degree plan. Examples of transfer difficulties include those encountered by students who change majors or who change from a two-year career education program to a transfer program.

Counselors can assist with information on credit transfer. Students should work with a counselor to design a degree plan consistent with

the student's educational goals. Changes in plans should be discussed with the counselor to help avoid potential problems.

TRANSFER CREDITS FROM OTHER INSTITUTIONS

Students who have completed lower-level (freshman or sophomore) coursework at another regionally accredited college may transfer that coursework to Navarro College to be applied toward a degree or certificate. Transfer students must have their transcripts evaluated during their first semester of enrollment. The Registrar's Office has guidelines concerning the acceptability of transfer work.

RESOLUTION OF DISPUTES CONCERNING TRANSFER COURSES

All Texas public colleges and universities must accept transfer of academic courses that are substantially equivalent to courses that are listed in the current edition of Community College General Academic Course Guide Manual and which are applicable to an associate or baccalaureate degree in the same manner as credit awarded to non-transfer students in the same major. Certain rules and conditions regarding minimum grade standards, number of credits accepted for transfer, age of credit being transferred, etc., must be met before a transfer dispute can be initiated.

Navarro College students who have transfer course credit denied at another institution of higher education in Texas may present written notice of denial of such credit to the dean of Arts, Sciences, and Humanities within 15 calendar days of receipt of the denial. The dean of Arts, Sciences, and Humanities will identify courses that are applicable to transfer dispute resolution and will work with the student and the institution that denied the credit to resolve the dispute in accordance with regulations specified in the Transfer Dispute Resolution Guidelines and using form CB-TDR 2/92 supplied by the Texas Higher Education Coordinating Board. If the dispute is resolved, the Transfer Dispute Resolution form will be forwarded to the commissioner of higher education indicating resolution of the dispute.

If the transfer dispute is not resolved to the satisfaction of the student or the institution where credit was denied within 45 days after the date the student received written notice of denial, the dean of Arts, Sciences, and Humanities will notify the commissioner of higher education and request a ruling on the dispute.

TRANSCRIPT OF CREDITS

Official copies of a student's transcript are free up to 10 lifetime copies. Transcripts are \$3 each after the initial 10 copies. All requests should be sent to the Office of Admissions and Records specifying name, social security number and dates of attendance. No student transcript will be released without written signed consent of the student.

ALTERNATIVE DELIVERY OF COURSEWORK

In addition to traditional classroom settings, Navarro College also offers courses through interactive television, via the Internet and through the Virtual College of Texas. For information, call (903) 875-7422.

ACADEMIC STANDARDS

MINIMUM STANDARD OF WORK

A cumulative grade-point average of 2.0 or better on a 4.0 scale is required for a student to graduate from any degree or certificate program within the college. Because it is necessary for a student to maintain this average in order to graduate, a 2.0 GPA is considered the minimum standard of work at Navarro College. Failure to maintain this minimum standard results in a student being placed on scholastic probation. If the student's academic performance is not satisfactory during the probationary period, the student will be placed on Academic Suspension for one regular semester.

It is the responsibility of the student to know whether the minimum standard of work requirement has been satisfied and whether he or she

is eligible to continue enrollment in the college. An ineligible student who nevertheless registers may or may not be dropped by the college and shall not be entitled to special consideration on a plea of lack of knowledge of scholastic status. Students on financial aid who fail to meet the minimum standard of work may risk financial aid eligibility. Additionally, students who have attempted 30 credit hours of developmental coursework become ineligible to receive federal aid.

GRADE POINTS

Students earn grade-point values in courses in which they make satisfactory grades. The letter grade “A” earns four grade points for each semester hour. A grade of “B” carries three points. A “C” allows two points, while a “D” carries one point for each semester hour. No points are allowed for an “F”, “I”, “W”, “P”, or “S” grade. “CR” grades due to valuated credit are not calculated as part of the student’s grade-point average.

A student can determine his or her grade points in a course by multiplying the semester hour value of the course by the grade-point value of the grade received. For example, if the student is carrying a three-semester-hour course and makes a “B”, nine grade points have been earned.

To determine the grade-point average, a student adds all the grade points earned and divides the total by the total number of semester hours, which he or she attempted. If 15 semester hours were attempted, for example, and 30 grade points were earned, this would result in a 2.0 grade-point average, the equivalent of a “C” average.

Courses in which the student received a grade of “W” or “P” are not included in hours attempted. Grades from developmental studies are calculated into the student’s grade-point-average for purposes of athletic eligibility, scholastic suspension and financial aid eligibility. These grades are not included in the calculation for graduation.

As part of the student's grade-point average at graduation, Navarro College does not grade points earned at other institutions except when considering graduation with honors.

GRADES AND VALUES

Grade	Value	Grade Pts/Hr.
A	90-100	4
B	80-89	3
C	70-79	2
D	60-69	1
F	Below 60	0
I	Incomplete	0
P	Pass	0
W	Withdrawal	0

To receive credit for a course, a student must earn a semester grade of not less than "D" or must receive a grade of "P". Health profession students in the ADN, OTA, VN, MLT, Fire and EMS programs must score at least a "C" in each course in the program to progress.

Fire Academy and Emergency Medical Programs grading scales are as follows:

A = 93-100

B = 84-92

C = 75-83

Below 75 = Failing

Refer to ADN and VN programs for specific grading scales.

"I" GRADE REMOVAL AND GRADE CHANGE LIMITATION

A grade of "I" (incomplete) may be awarded to a student at the instructor's discretion when an unforeseen emergency prevents the

student from completing the work in a course. A student must be passing the course at the time the “I” is awarded. If the work required to remove the “I” grade is not completed by the end of the first regular semester following the semester in which the student received the grade of “I”, the “I” grade will become an “F” grade.

With the exception of the “I” grade, no grade may be changed 30 days after the close of a semester.

SCHOLASTIC PROBATION/SUSPENSION

Failure to maintain a 2.0, “C” cumulative grade-point average, will result in the student being placed on scholastic probation for the next semester enrolled. A student may remove himself or herself from scholastic probation by bringing his/her cumulative grade-point average to a 2.0 or higher.

Should the student earn less than a 2.0 grade-point average for two semesters of enrollment and have less than a 1.5 grade-point average for the most current semester, the student will be placed on scholastic suspension for one regular semester (fall or spring).

DEVELOPMENTAL STUDIES

The developmental studies program at Navarro College provides basic skills development in the areas of reading, writing, mathematic and study skills for students who are under prepared for college-level studies. Students whose scores fall below the minimum standards on an approved placement test are required to enroll and participate in developmental classes or a non-course-based activity until competency is achieved. Failure to attend or participate in developmental studies classes will subject the student to being administratively withdrawn from college.

Students may enroll in certain courses within their major area of study while simultaneously enrolled in developmental classes; however, a student in basic skills courses will need to reduce the course load in

his/her major area or college-level classes since basic skills courses have a large amount of lab time.

Students are expected to achieve mastery of basic skills concepts in a maximum of three semesters of developmental work. Students must meet exit criteria objectives prior to receiving an associate degree from Navarro College. Basic skills courses cannot be used in meeting graduation requirements for any degree or certificate.

COURSE NUMBER EXPLANATION

A four-digit number designates each course. The first digit denotes the level of the course. Course numbers beginning with the number one (1) are freshman-level courses, while those beginning with the number two (2) are normally considered sophomore-level courses. The second digit indicates the value of the course in semester hours in all courses except Vocational Nursing. The third and fourth digits are used to identify the sequence or designation within a department. Beginning fall 1992, Navarro College joined with other two-year and four-year colleges in Texas to adopt a common course numbering system. The purpose of this system is to assist students who are transferring between participating institutions.

EXAMINATIONS

Examinations in courses are provided as a means of evaluating the student's progress in a course. Instructors in the courses determine the number of examinations to be given. All students are expected to take all examinations in an atmosphere of honesty.

TUITION AND FEE INFORMATION

A complete schedule of tuition and fees is found at the end of this section. For additional information regarding tuition and fees, please contact the Business Office. Scholarship information and application forms are available from the Office of Financial Aid.

SETTLEMENT OF OBLIGATIONS

Students who do not pay, or make satisfactory arrangements to pay all financial obligations to the college, may have their course credits and grades withheld. No degree or certificate will be awarded until all financial obligations are settled. The term “financial obligations” shall include the return of all properties of the college on student assignment, including library books.

TUITION REFUNDS

To be eligible for a tuition refund, a student must officially withdraw through the Office of Admissions & Records and must complete a “Request for Refund” form. “Class Day” is defined as any day a college class meets. Class days are computed beginning the first day of classes for the semester, not according to the number of times a particular class has met.

After classes begin, certain fees are not refundable including general service, vehicle registration and matriculation.

In the event of a student’s official withdrawal or reduction of hours carried, tuition and fees are refundable on the following basis:

REFUND OF TUITION AND FEES

Fall and Spring Semesters

Prior to the first class day 100%*

During the first 15th class days 70%

During the 16th to 20th class days 25%

After the 20th class day None

Summer Semesters

Prior to the first class day 100%*

During the first five class days 70%

During the sixth and seventh class days 25%

After the seventh class day None

Continuing Education

Prior to the first class day 100%*

After the first class day None

Tuition and fees paid directly to Navarro College by a sponsor, donor or scholarship shall be refunded to the source rather than directly to the student. Refunds will be processed after the 12th class day.

Students who are withdrawn from classes for excessive absenteeism, disciplinary concerns, or other administrative purpose are not eligible for a refund unless the withdrawal date falls within the refund dates for the semester.

Please consult the Registrar's Office for the refund policy concerning eight-week and minimester classes.

PRESIDENT'S LIST

The purpose of the President's List is to honor students who achieve academic perfection by making the highest grade-point average possible, 4.0, while enrolled in at least 15 semester hours per regular semester of college-level, degree credit classes. The list is compiled each semester and recognition of this honor will be indicated on the student's transcript.

DEANS' LIST

The purpose of the Dean's List is to honor students for academic achievement. To be eligible for the Deans' List, a student must achieve a grade-point average of at least 3.5 while enrolled in at least 15 semester hours of college-level classes. Acknowledgement of this honor will appear on the student's transcript.

BASIC SKILLS COURSES

Navarro College offers basic skills courses designed for the student whose academic skills in reading, writing and/or math have been identified as insufficient for college-level work. Students identified in need of these courses will find it necessary to complete these courses in order to achieve success in college-level work. Basic skills courses cannot be used in meeting graduation requirements for any degree or certificate.

PRESIDENT'S DISTINGUISHED SERVICE AWARD

The President's Distinguished Service Award may be presented at spring graduation to a student who has displayed exceptional scholarship and leadership abilities and who has brought recognition to the college by enhancing the academic, social and service image of the student body and college as a whole.

PRESIDENT'S HONOR AWARD

The President Honor Award may be presented during the spring graduation ceremony to give special recognition to the associate degree level graduate or graduates who compile the highest academic record. Summa cum laude will be denoted on the transcript of students achieving a 4.0 grade-point average. Only students fulfilling all requirements for graduation prior to the ceremonies are eligible to graduate summa cum laude.

GRADUATION WITH HONORS

The purpose of graduation with honors is to identify those students receiving associate degrees who have compiled a superior academic record. The three different levels that distinguish honor students are as follows:

President's Honor Award - 4.0 GPA - summa cum laude

Deans' List - 3.5 GPA - magna cum laude

Honor Graduate - 3.25 GPA - cum laude

To graduate on the Dean's List, students must achieve a 3.5 grade-point average on all work attempted at Navarro College and other post secondary institutions attended and have no grade lower than "C." Magna Cum Laude will be denoted on the transcript of students achieving this designation. Only students fulfilling all requirements for graduation prior to the ceremonies are eligible to graduate Magna Cum Laude.

To be an Honor Graduate, students must achieve a 3.25 grade-point average on all work attempted at Navarro College and other post secondary institutions attended and have no grade lower than "C." They must complete a minimum of 15 hours of "honors" courses and 15 hours of community service. See the section below on the Honors Program for more details.

In the event a student has repeated a course with a lower grade at Navarro College, only the higher grade will be considered for calculation as part of the grade-point average and used for consideration of cum laude or summa cum laude recognition.

ACADEMIC FRESH START

A student may elect to claim academic fresh start and not use older grades as part of their official grade-point average, as prescribed by state statute. In this case, only the grades that retain a portion of their official grade-point average will be considered in the calculation of the grade-point average.

GRADUATE GUARANTEE

Under certain conditions, Navarro College guarantees that its associate degrees transfer to other colleges and universities and that occupational degrees and/or certificates prepare students for employment in business, industry and service occupations. A complete description of the policies and guidelines related to the guarantee is on file in the Richard M. Sanchez Library.

INDIVIDUALIZED DEGREE PLANS

The degree requirements outlined in this publication are intended to provide general information for students who are seeking a College degree. Navarro College emphasizes the importance of individualized attention so that each student may realize his or her academic goals with a minimum of problems or delay. It is essential that students work closely with their academic adviser to establish a plan of educational objective.

ACCESS TO STUDENTS RECORDS

THE INSTITUTION PROTECTS THE SECURITY CONFIDENTIALITY AND INTEGRITY OF ITS STUDENTS RECORDS.

Family Rights and Privacy Act

In compliance with the Family Educational Rights and Privacy Act of 1975, (PL93-380, section 513), as amended (PL 93-568, section 2), information classified as “Directory Information” may be released to the general public without the consent of the student. Navarro College hereby designates the following student information as public or “Directory Information”: Name, address, telephone number, dates of attendance, class, previous institution(s) attended, major field of study, awards, honors (includes Dean’s List), degree(s) conferred (including dates), past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes) and date and place of birth.

A student may request that the above directory information be withheld from the public by making written request to the Registrar's Office during the first 12 days of class of a fall or spring semester or during the first four days of a summer session. If no request is filed, information may be released upon inquiry. A new form for non-disclosure must be completed every fall, spring and summer session or term enrolled. Navarro College assumes that failure on the part of any student to specifically request the withholding of "Directory Information" indicates individual approval for disclosure.

The Family Educational Rights and Privacy Act also provides that in addition to Navarro College, employees having a "legitimate educational interest," certain other governmental, quasi-governmental agencies and parents certifying that a student is carried as a dependent for federal income tax purposes may have access to student records. Parents may certify by completing a form and attaching a photocopy of their federal income tax form each filing year. For more information, contact the Registrar's Office.

HOLD ON STUDENT RECORDS

Grades and transcripts will not be released if the student has a certain "hold" on his/her records. Holds may be placed on a student's record for failure to meet admission requirements, financial reasons (returned checks, overdue loans, etc.), materials overdue at the Learning Resource Center or for other reasons deemed necessary by the college. These holds can be released only after the cause of the hold has been satisfactorily cleared.

CHANGE OF ADDRESS

A student who, after registration, changes his or her home address, is expected to notify the Office of Admissions and Records immediately. The student will be held responsible for any communication from the college sent to the address last given and may not use the fact that the

communication was not received at the current address to avoid penalties or responsibilities to the college.

ACADEMIC/TEACHING

Since its founding in 1946, Navarro College has been committed to academic excellence. The foundation of that commitment is faculty. Many members of the teaching staff have received awards and recognition for their contributions to the teaching profession. Navarro College instructors not only know their subject matter, but they also know their students as individuals. Navarro's faculty are devoted to student learning and success. In addition to excellent classroom instruction, the faculty provide support and assistance in a caring and nurturing environment to help students achieve their academic and professional goals. The faculty welcomes the opportunity to serve the students of Navarro College.

FACULTY-CENTERED STUDENT ADVISING PROGRAM

The Faculty-Centered Student Advising Program is designed to enhance student learning and success by assigning a faculty adviser to each student. The roll of the adviser is to meet with advisees during the academic year to:

- * explore academic and career goals;
- * assist with class schedules to comply with degree plan requirements;
- * make students aware of campus support services and external resources;
- * provide awareness of student's responsibility in the learning process;
- * inform students of campus organizations, events and activities; and
- * familiarize students with college policies and procedures.

Texas Student Success Initiative

Information on Navarro College's Developmental Education Plan

In compliance with a directive from the Texas Higher Education Coordinating Board regarding the Texas Success Initiative, Navarro College proposes the following Developmental Education Plan:

1. As part of the admission process at Navarro College, all degree-seeking students will be administered a state-approved placement instrument unless he/she is exempt. Students are exempt who:

*hold a baccalaureate or an associates degree from a regionally accredited Texas public college or university.

have a composite score of 23 on the ACT with a minimum of 19 on the English and/or Mathematics tests. *Scores must have been earned within the last five years.*

have a combined score of 1070 on the SAT with a minimum score of 500 on the mathematics and/or verbal tests. *Scores must have been earned within the last five years.*

passed the related exit-level (11th grade) sections of TAKS=2200 ELA with a Writing subscore of 3 and/or 2200 on Math. *Scores must have been earned within the last three years prior to admission.*

***Students who graduated from high school in 2004 or earlier:** scores required for exemption must be attained in one sitting for an appropriate test instrument (ACT, SAT, TAAS). Scores from different exemption instruments or from different administrations of those instruments cannot be used for exemption purposes.

***Students may not be exempt from the testing requirement based on end-of-course exams.**

***Partial exemptions may be granted using scores from ACT, SAT or TAKS test for students who graduated from high school in 2005 or later.** The ACT and SAT composite score must be met for the partial exemption to be granted (e.g. an ACT English score of 19 requires a composite score of 23 to be valid for exemption). The TAKS ELA scores of 2200/3 may not be separated to meet Reading or Writing exemptions. The student must meet both score requirements for exemptions to be granted.

*scored a minimum of 1770 on the TAAS writing test and minimum Texas Learning Indexes (TLI) of 86 on the Mathematics and 89 on the Reading tests. Scores must have been earned within the last three years.

*transfer to Navarro College from a regionally accredited private or independent institution of higher education or a regionally accredited out-of-state institution of higher education may receive an exemption by area with a grade of “C” or better in an approved related course.

*have previously attended any accredited Texas Public institution of higher learning and have been determined to have met readiness standards by that institution.

*are enrolled in a certificate program of one year or less (level-one certificates, 42 or fewer semester credit hours or the equivalent) at a public junior college, a public technical institute, or a public state college.

*are serving on active duty as a member of the armed forces of the United States, the Texas National Guard, or as a member of a reserve component of the armed forces of the United States and have been serving for at least three years preceding enrollment.

*on or after August 1, 1990, were honorably discharged, retired, or released from active duty as a member of the armed forces of the United States or the Texas National Guard or service as a member of a reserve component of the armed forces of the United States

and have been serving for at least three years preceding enrollment.

*on or after August 1, 1990, were honorably discharged, retired, or released from active duty as a member of a reserve component of the armed forces of the United States.

2. Students enrolling in a certificate program that includes less than nine credit hours of general education courses are waived from placement testing. A student may not enroll in any courses outside the certificate curriculum without completing the placement test. If a stratified course is required in the degree plan for the certificate (i.e., English 1301), the student must successfully complete the associated component of a placement test before enrolling in the credit course. If the student fails the associated component, he/she must be remediated according to the Navarro College Developmental Educational Plan.

3. High school juniors who wish to enroll in dual credit or concurrent courses, which are not workforce education (career and technical) courses*, who have scored 2200/3 ELA and/or 2200 Math on the 10th grade TAKS test are waived from placement testing for the related area. Students under this waiver may enroll in stratified courses as long as course prerequisites have been met. If the student scores 2200/3 ELA and /or 2200 Math on the 11th grade TAKS, the student will be exempt from placement testing. If the student does not meet the 11th grade cut score requirements for exemption, course work may be used to meet TSI requirements. If coursework is not sufficient to meet TSI requirements, the student will need to test (THEA or State approved alternative test) upon graduation from high school.

*A high school student is eligible to enroll in workforce education (career and technical) dual credit courses in the 11th and/or 12th grade if the student demonstrates that he or she has achieved the minimum passing standard on the Mathematics section and/or the English/Language Arts section on the 10th or 11th grade TAKS.

(A) A student may enroll only in those workforce education dual credit courses for which the student has demonstrated eligibility.

(B) A student who is exempt from taking TAKS may be eligible to enroll in workforce education dual credit courses if a request for special consideration, submitted by the high school principal, is approved by the Navarro College vice president of academic affairs.

High school students who wish to enroll in dual/concurrent college credit courses but do not meet the requirements for a waiver or exemption must test using THEA or a state-approved alternative test. Test scores determine what course(s) the student is eligible to take. **A high school student may not take remedial courses.**

4. Navarro College will administer THEA, Quick THEA, and ACCUPLACER as placement instruments. Students will be placed in courses appropriate to their level of knowledge and skills as determined by cut-off scores established by Navarro College. Navarro College will accept placement scores from students who have completed other state-approved instruments. Scores will be used to determine appropriate placement in developmental studies. (See attached matrix for placement guidelines.)

Students will be placed in the appropriate developmental course(s) upon admission to the college and shall continue in the established sequence of developmental courses until he/she meets one of the following conditions:

- remediation is successfully completed;
- the student has made a grade of C or better in an approved related course;
- the student has passed the appropriate section of the placement test.

A student who attempts one of the approved freshman-level courses and drops or fails to achieve a grade of C or better will be evaluated by the college to determine the most appropriate action for that particular student. The options include:

- returning to developmental work;
- attempting the same or another approved course in an attempt to earn a C;

- retaking the appropriate section of an approved assessment test

Students may use any of the approved assessment instruments (THEA, Quick THEA, or ACCUPLACER) for retakes and may schedule retakes at any time, subject to availability of time and space in the testing center.

5. Students whose skill level is deficient in two or three developmental areas will be required to enroll in a minimum of two developmental courses and strongly advised to enroll in three if deficient in all three areas. Students deficient in two or more developmental course areas will be limited to a course load of 16 hours (including developmental course work) during a long semester, excluding one-hour physical education activity courses and one-hour freshman orientation class.

6. Attendance and participation in developmental courses are mandatory. Therefore, instructors for developmental courses will follow the policy prescribed below regarding attendance and participation in remedial courses and will publish this policy in the course syllabus:

Class attendance is important in the learning experience; therefore, it is the student's responsibility to attend all class meetings. Instructors will closely monitor student attendance. Students who must be absent from class because of illness, participation in college-sponsored activities, death in the family, or other such emergency situations must notify his/her instructor prior to the class meeting if at all possible. Throughout the entire semester, a student may have no more absences than the equivalent of two weeks of class in a sixteen-week semester. Students who miss more than the allowable number of class meetings will be administratively withdrawn from that class for excessive absences. Students who are withdrawn from all developmental classes will be withdrawn from all college-level courses as well. Arriving late or leaving early disrupts the class and affects the student's participation in the learning experience. Therefore, three tardies and/or early departures equate to one absence.

7. HAZING

Hazing shall be defined “as any action taken or situation created whether on or off college property to produce mental or physical discomfort, embarrassment, harassment or ridicule. Such activities shall include (but not be limited to): paddling, beating, physical exercise, scavenger hunts, road trips, any activity resulting in fatigue, physical or psychological shock, wearing apparel that is uncomfortable to the individual or that is conspicuous and not normally in good taste, engaging in public stunts or buffoonery, morally degrading or humiliating games or activities, giving of food or drink that is distasteful or designed to provoke nausea, any form of verbal harassment, any action created subjugating an individual to a condition in which the person might tend to lose self-respect, suffer injury to

personal dignity, or is required to compromise personal values, any activity that interferes with scholastic duties, threatening in any manner of form for the purpose of cajoling individuals into secrecy in regard to breaches of the Hazing Code.”

The preceding is a non-inclusive list of activities considered to be hazing. Any act or procedure done by, or on behalf of a member of a student organization, and with the expressed or implied authority or condemnation of the organization, shall be chargeable to the organization and/or its individual members.

The following actions by recognized student organizations are explicitly prohibited:

1. Forcing or requiring an individual to drink alcohol or any other substance.
2. Dropping food (eggs, grapes, liver, etc.) in the mouth.
3. Forcing or requiring calisthenics, such as push-ups, sit-ups and runs.
4. Throwing anything (whipped cream, garbage, water, paint, etc.) at an individual.
5. Theft of any property under any circumstance.
6. Assigning or endorsing “pranks” such as stealing, panty raids, setting off fireworks, any other incendiary devices, fire extinguishers or harassing another organization.
7. Defacing trees, grounds or buildings.
8. Awakenning or disturbing individuals during normal sleeping hours.

HARRASSMENT, INTIMIDATION, AND BULLYING

Navarro College will not condone any form of harassment, intimidation, or bullying in the college setting, and takes appropriate corrective, disciplinary, and remedial action in response to such determined incidents. Navarro College defines “harassment, intimidation, and bullying in the college setting” as the following: any

gesture or written, verbal or physical act, or any use of electronic communication that

- a) is motivated by an actual or perceived discriminating characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability or any other distinguishing characteristic, and
- b) a reasonable person should know, under the circumstances, that the acts(s) will have the effect of harming a student or damaging the student's property, or placing a student in reasonable fear of harm to his person or damage to his property; or
- c) has the effect of insulting or demeaning any student or group of students in such a way as to cause substantial disruption in, or substantial interference with, the orderly, civil, and safe operation of the institution and/or the learning environment.

Any student with a concern of this nature should immediately consult the vice president of student services and follow the student grievance procedures as described in the current *Navarro College Student Handbook*. Accordingly, any faculty or staff member who feels threatened by similar incidents should follow the grievance procedures outlined in the *Navarro College Administrative Policies and Procedures Manual* and should report such incidents in a timely manner.

STUDENT DRESS AND APPEARANCE CODE

The primary purpose of the Navarro College is to conduct education. College officials consider this activity second to none in its importance and believe it should be so regarded by the students. Thus, a mature

attitude should be demonstrated by the dress and appearance of the students while attending classes or engaging in other programs or functions on the campus. The student is expected to maintain the same standards of dress and personal grooming on campus that would ordinarily be maintained by those engaged in other serious activities. Obvious violations of these standards may be subject to disciplinary action.

DISCIPLINARY PROCEDURES FOR STUDENT MISCONDUCT

All disciplinary sanctions fall under the direction of the vice president of student services. When a student is confronted with a possible violation of rules requiring disciplinary action, the student will be given a notice directing him/her to appear before the discipline officer at a specified date and time.

SANCTIONS AGAINST MISCONDUCT

The vice president of student services, the director of residence life, or the campus judicial officer may impose misconduct sanctions. The following penalties may be imposed singularly or in combination upon individuals, groups or organizations:

1. Administer a verbal or written warning to the student.
2. Require the student attend counseling sessions.
3. Cancel residence hall contract and/or meal ticket.
4. Impose disciplinary probation for a definite period of time with the condition that future violations may result in disciplinary suspension.
5. Prohibit a student from representing the college, on or off campus, in any recognized college-sponsored event.
6. Withhold an official transcript or degree.
7. Prohibit readmission.

8. Require restitution, whether monetary or through specific duties, such as; reimbursement for damage(s) to or misappropriation of college, student or employee property.
9. Designate a student ineligible for student grant, loan or scholarship.
10. Expel or suspend a student from Navarro College.
11. Withdraw a student from all currently enrolled coursework without refund of tuition and fees.
12. Impose other sanctions as outlined in the departmental handbook for specific programs including but not limited to; fire/EMS, nursing, and police academy departments.
13. Limit access to and/or prohibit students from certain areas of the campus.
14. Administer other sanctions as per the discretion of the vice president of student services.

Failure to meet the requirements of any notice by a college official may result in action being taken by the discipline officer apart from action for the alleged violation.

NOTE: In cases where a student receives a sanction of probation, suspension or expulsion, a copy of the confirmation letter received by the student may be forwarded to the parent or guardian of the student in conjunction with the Buckley Amendment and in compliance with FERPA guidelines.

DUE PROCESS

Any student accused of violating the Student Code of Conduct should have the right to expect consistent and fair procedures for resolving their situation.

Furthermore, all student-based decisions by administrators, residence life, counseling, authorities and/or campus security may be appealed to the vice president of student services. Final appeal may be presented to

the district president of Navarro College ONLY AFTER the appeal process has been followed.

DISCIPLINARY APPEAL PROCEDURES

After an original decision is rendered the student shall be given a letter stating the charge(s), sanction(s), and the procedure if the student chooses to appeal. If the sanctioned student wishes to appeal the decision, the appeal must be received in writing to the vice president of student services' office no later than 5 p.m. the next business day.

The vice president of student services will determine if the appeal letter has merit. The student will be notified within one business day whether or not their appeal has been granted. If the appeal is granted the vice president of student services will appoint the appeals board; facilitate the hearing; and prepare all supporting information for the appeals board.

The appeals procedure is a process, which takes place in a college setting, and serves as a community of individuals working together for the benefit of the student. Within this framework, the institution embodies the laws of the nation and state, but maintains the authority to govern itself. As such, it produces its own format for adjudicating differences, using the laws of the land as guidelines. These appeal procedures serve to provide due process in principle and fact. In practice, the procedures are not viewed or intended to be courts; rather, they are procedures with hearings to air differences and seek solutions within the expectations of the academic community.

In light of these principles, individuals may have witnesses for the Appeals Board to interview. In addition, if Navarro College utilizes an attorney to present the case, the student shall have similar right to utilize an attorney. Representation by legal counsel is not required, but may be permitted according to Navarro College policy. If counsel is requested, the attorney's purpose is to serve as an adviser to the student. Should the student plan to have an attorney present, the

institution must be informed no less than 24 hours prior to the appeal hearing.

Only the student, legal counsel (if desired) and a representative of the college may be present during the appeal hearing. Any witness testifying will appear before the board only while testifying. The board will render a final recommendation to the vice president of student services that:

1. The original decision be upheld; or
2. The original decision be reversed; or
3. The severity of the decision or sanction may be modified (increased or decreased.)

At the conclusion of the hearing, a letter will be given to the student within three business days and should state the decision of the Appeals Board and the stipulations, such as a timeframe for vacating the campus, and/or instructions for processing the proper withdrawal papers, length of time for any probation, and/or any restrictions (e.g., residence life, education, activities, intramurals).

Listed below are additional guidelines for the appeal process.

1. An opportunity will be provided for the accused to present his/her own case and to present other evidence in support of the case.
2. The right to hear evidence and to ask questions of witnesses, whether directly or through Navarro College, must be allowed.
3. Navarro College has the burden of proving its case by preponderance of evidence. The preponderance of evidence means proof that leads a reasonable person to find the facts at issue are more likely to have occurred than not.
4. A determination of the facts will be based only on the evidence presented.
5. A student may not be compelled to testify on his/her own behalf. If the student chooses not to testify, no inference may be drawn from

failure to testify. If the student does testify, he/she may be fully cross-examined.

6. After hearing all the evidence, the committee shall determine by a majority vote, or if a hearing officer is used in lieu of a committee, the hearing officer shall determine if the student violated the policy. The committee by majority vote shall recommend or assess the appropriate penalty.

7. A written statement will be available for the student no later than 3 business days following the proceedings. In addition to the statements from the appeals board, the right to make a record of the hearing at an individual's own expense should be preserved. Navarro College will provide a recording of the proceeding by electronic means, or by notes or minutes taken by an impartial recording secretary. The record will be retained by the institution for a period of one year.

8. Notification to all current administrators, staff and instructors may be distributed to indicate that the student has been removed from classes if the student's suspension is upheld by the appeals board.

The above constitutes the minimum constitutionally mandated due process. In addition to these guaranteed rights, the following will be Navarro College's practice to ensure fairness in serious disciplinary offenses:

1. The right to appeal to a higher authority within the institution.
2. The right to cross-examine witnesses.
3. The right to have counsel at a hearing, not to participate, but to advise.

Federal statutory law also requires disciplinary proceedings to be closed to the public upon the request by the accused.

NOTE: Prior to an initial hearing or appeals hearing, if it is decided that the student is a danger to himself/herself or the college

community and/or the educational process, the student may be removed from college housing and/or the campus until such time as the hearing is scheduled.

POLICY ON FAILURE TO COMPLY WITH DISCIPLINARY SANCTIONS

Any disciplinary action taken against a student enrolled in Navarro College may result in levying against that student any one of several disciplinary sanctions as listed in the Student Handbook under the Student Code of Conduct section. Whenever disciplinary sanctions are levied against a student, he/she is expected to fully comply. Any student who does not fully comply with his/her disciplinary sanctions is subject to one or more of the following consequences:

1. Immediate dismissal from Navarro College
2. Prohibited from re-enrolling in Navarro College
3. Having all college records placed on hold.

The purpose of this policy is to ensure that students are accountable and responsible for their decisions and actions to promote civility and ethical behavior among Navarro College students and to sensitize students to the fact that every decision carries a consequence.

OFF-CAMPUS CONDUCT

All students enrolled in Navarro College should clearly understand that the college is expressly concerned with student conduct both on and off campus. Navarro College expects the behavior of its students at all time and in all settings to be guided by standards of department that define acceptable forms of student conduct. To these ends, any student enrolled in Navarro College who is found in violation of Student Codes of Conduct or state or federal laws, even in an off-campus setting, is subject to administrative discipline procedures that could result in one or a combination of several disciplinary sanctions as listed in the Student Handbook.

Based on the reasonable belief that a student has been involved in conduct off campus incompatible with the college's function as an educational institution or with the mission of Navarro College, the president, in his/her discretion, may invoke the disciplinary process chain as described infra.

RESIDENCE LIFE

Navarro College Residence Life Department is committed to providing an environment that is safe, secure and conducive to learning. This learning takes place at many different levels. Living on campus will help students learn how to socialize and live in a community governed by rules, while promoting the welfare of each individual in the community. The residence hall provides additional education outside of the classroom experience, and the residence life staff is here to help facilitate this transition from living at home to becoming a responsible adult. (See the Residence Life Student Handbook /Student Code of Conduct)

VACCINATION AGAINST BACTERIAL MENINGITIS

Vaccination against bacterial meningitis of students residing in on-campus housing

Texas Education Code, Section 51.9191, Subchapter Z directs that all first-time students of an institution of higher learning, including a transfer student, residing on campus will show evidence of being immunized against bacterial meningitis.

All first-time students attending Navarro College, including transfer students, approved to participate in the Residence Life Program will be required to show evidence of vaccination against bacterial meningitis. Evidence of the student having received the vaccination from an appropriate health practitioner within the past five years must be

received in the Navarro College Residence Life Office at least 10 days prior to the student taking up residence in on-campus housing.

A student, parent or guardian of a student, is not required to submit evidence of receiving the vaccination against bacterial meningitis under the following circumstances:

- An affidavit or a certificate signed by a physician who is duly registered and licensed to practice medicine in the United States, in which it is stated that, in the physician's opinion, the vaccination required would be injurious to the health and well-being of the student; or
- An affidavit signed by the student stating that the student declines the vaccination for bacterial meningitis for reasons of conscience, including a religious belief. A conscientious exemption form from the Texas Department of State Health Services must be used.

The exceptions do not apply during a disaster or public health emergency, terrorist attack, hostile military or paramilitary action, or extraordinary law enforcement emergency declared by an appropriate official or authority from the Texas Department of State Health Services and in affect for Navarro College.

CRIMINAL HISTORY CHECK

Effective Fall 2010 semester, each Navarro College prospective residence life student must complete the Navarro College Release of Background Information form (RBI - attached) as part of the residence life application process. All new students residing in the residence halls during Summer I and II will also have to complete the release form and pay the \$10 processing fee. These forms will be processed prior to move-in for the fall semester. Students that decide not to return to the residence halls for the fall semester will have the fee refunded. The residence life application becomes valid when the complete application (both parts) is returned with the housing deposit fee (\$200), a copy of the applicant's driver's license or state identification card and the non-

refundable \$10 processing fee. An incomplete RBI form will void the Navarro College residence life application.

Please refer to the current Residence Life Student Handbook for more information.

AUTHORIZED DISCIPLINARY ACTIONS

Residence Hall Level

Any residence hall specialist may take certain actions in response to violations of the Student Code of Conduct or residential living regulations. They also respond to specific complaints by members of the residential community. The following actions are available:

1. Issuance of a written warning that the student's past behavior is not acceptable and continued violations will result in more serious disciplinary action.
2. Suspension of a residential living privilege, such as laundry room use, visitation privilege or lounge area use, as well as other actions appropriate to the individual situation.
3. Assessment of a fine or charge for violations of hall policies or damage to college property.
4. Mandatory reassignment to a different room within the hall.
5. Behavioral Contract.
6. Recommendation for removal from the residence hall and other restrictions as appropriate.

Campus Level

The following actions are available to college administrative personnel to deal with repeated or serious violations of the Student Code of Conduct or college policies. Actions may be taken at whatever level is deemed appropriate depending on the seriousness of the violation and the past record of the student. Please take notice that an incident of misconduct may involve more than one violation and may result in action being taken at various levels of the college administration, from the advisers of residential operations to the Student Discipline

Committee. Action at one level regarding a particular violation does not preclude action being taken at another level regarding other violations arising from the same incident.

1. **Written Warning** is official notice to the student that their past behavior is not in accordance with college expectations; is educational in nature, but also forms a basis for more severe action in case of further violations.

2. **Restitution** may be assessed in cases where damage to property has occurred or a fine exists for a specific action. Financial action may involve a replacement or repair charge, a punitive charge or a combination.

3. **Restrictions and Suspension of Activities** are actions, which restrict or prohibit a student's use of College facilities or services; prohibit participation in extracurricular activities; and/or terminate college employment. Actions may include, but are not limited to:

- A. No participation in student organizations.
- B. No use of college facility, such as the student center;
- C. No participation in college activities, such as dances, parties, intramurals, etc.
- D. Removal from a residence hall.
- E. Suspension of specific privileges such as residence hall visitation. Other actions may be taken, as appropriate to the violations.
- F. Terminations or refusal of college employment.

4. **Revocation of Scholarship** will occur when students receiving performance scholarships are restricted from continuing to receive that assistance. Athletic scholarships also may be revoked pursuant the terms of Athletic Code of Conduct. This will occur when deemed appropriate in view of the specific violation, which has occurred.

5. **Behavioral Contract of Referral** would require the student enter into a binding contract to structure their activities and behavior in order to change that behavior to eliminate the need for

further disciplinary action. Referral to other resources for assistance, either on or off campus, also may be required for the student to remain enrolled and/or on campus. Referral may be separate or part of a behavioral contract. Community service requirements may be part of any contract.

6. **Disciplinary Probation** usually involves any or all the actions listed in sections 1 through 5. This is used only when the student's actions and past behavior or doubt of their ability to act in a responsible manner and to successfully adjust to a college environment are noted. Failure to abide by these restrictions and conditions will result in suspension. This action normally is in effect for at least one regular academic semester.

7. **Suspension** is used when other attempts to change behavior have failed. This involves suspension from enrollment and presence on campus at any time. This action will be in effect for at least one long semester and may constitute permanent severance from the college. The length of the suspension will be determined by the seriousness of the actions and the possibility of future problems with the student.

8. **Immediate Suspension** is used when a student's presence poses continuing danger to people or property or an ongoing threat of disruption to the academic process. The student may be immediately removed from the college with loss of all college privileges. In such incidents, a notice of hearing to the student will follow for resolution of the matter as soon as is practical.

All students involved in disciplinary actions will be reviewed periodically during their effective period to determine whether they are willing to make an effort to engage in responsible behavior.

ACADEMIC DECORUM

BEING A SUCCESSFUL STUDENT

As a student, you have the responsibility for your education. Your success as a student and in your profession is enhanced by an understanding of a number of characteristics that contribute to success. These characteristics include academic as well as personal attributes.

ATTENDANCE

Attendance is expected in all classes/laboratories. Attending class will make a difference in achieving your goals and passing a course. The more successful students are those who attend class on a consistent basis. Students are expected to be familiar with the Navarro College attendance policy (found in this handbook) and to understand and follow the specific policies for each course. Each instructor will have the course syllabus and the specific attendance requirements for that particular class/laboratory.

PUNCTUALITY

Being on time is essential to achieving your goals. When you are late for a class, you send the message that class is not important. Entering the classroom after class has started is disruptive, and you have missed the learning that has already occurred. Tardiness shows a lack of respect for others in the class.

PREPARATION

Successful students are prepared for class. Come to class ready to learn. When you prepare before coming to class, you have a greater chance of understanding what the instructor is presenting. You also will be better prepared to ask questions about any material that you may not have understood. Know beforehand what is going on in class each day and be prepared. Read your syllabus.

PARTICIPATION

Getting involved in classroom activities will make a difference in your learning. Class discussion will broaden your knowledge about the subject and will increase your understanding. Be prepared to answer questions and communicate your knowledge and ideas.

QUALITY OF WORK

Take pride in your work. Doing the best and following assignments to the best of your ability will contribute to your success. Quality work does not demand perfection, however; your work should reflect the highest standards of accuracy, neatness and clarity. Neatness and care in the production of your assignments shows pride in yourself and in your work that will benefit you.

ACADEMIC CONDUCT

Truthfulness and honesty are the best policy in all academic matters. Every profession has standards of ethical conduct. Academic standards are essential and are highlighted in each syllabus. Students are responsible for following Navarro College's rules regarding academic dishonesty (listed in this handbook). Successful students are those who take their academic work seriously.

POSITIVE ACADEMIC ATMOSPHERE

Respect for others is important in success in college life and life in general. You are responsible for knowing the college's rules concerning student conduct. Show consideration for others at all times. Your college years should be among the happiest and most rewarding times of your life. A balanced academic and social life will help assure you of this and can result in a high level of success. Take your studies seriously, find out what is expected of you and become involved in all aspects of college life. Get to know your fellow students and the college staff.

STUDENT E-MAIL ACCOUNT INFORMATION

Getting Started With Student E-Mail

All students are assigned a free Navarro College e-mail account for college-related activities. Your e-mail address will be: **firstname.lastname@nc.navarrocollege.edu**

You can access your account by selecting the Student E-Mail link on the Navarro College Website (www.navarrocollege.edu). Your username and password will be the same as for Blackboard and WebAdvisor (**Username: firstname.lastname (ex. John.Student); Password: six-digit date-of-birth (MMDDYY).**

FOR YOUR PROTECTION, ALWAYS REMEMBER TO LOG OUT OF YOUR ACCOUNT AFTER EACH SESSION!

CLASSROOM BEHAVIOR

The enrollment of a student shall be construed as both evidence and a pledge that the student accepts the standards and regulations of Navarro College and agrees to abide by them. Conduct that interferes with the efforts of others to secure an education, enjoy a recreational event or to reside in an environment that is clean, quiet and conducive to study is prohibited. The college reserves the right to ask for the withdrawal of any student who violates policy or refuses to adhere to the standards established by the institution.

The college classroom is a learning environment. Classroom conduct that interferes with the learning process is not expected and will not be tolerated, and instructors have the right to have students removed from class if the behavior is deemed disruptive to the learning process.

DISRUPTIVE BEHAVIOR POLICY

Navarro College seeks to promote a teaching and learning environment free from material and substantial classroom disruptions. Faculty have the authority and responsibility to effectively manage their classroom

environments. Instructors may determine the time and manner for student questions and expression of points of view in the instructional setting.

Accordingly, instructors should establish, communicate and enforce reasonable rules of classroom behavior and decorum via the syllabus and classroom discussion. This policy is not intended to discourage appropriate classroom expression, discussion or disagreement, but to promote respectful interactions.

Rules and expectations for the instructional setting should be established by the instructor and communicated to the students via the course syllabus and classroom discussion at the beginning of the course. Such rules may contain reasonable restrictions in light of the instructional setting, teaching method and learning objectives; and may vary depending upon the educational context. Instructional rules may include, but not be limited to, prohibitions on the use of electronic devices, refusing to be seated, talking during lectures, sleeping, eating, newspaper reading, entering the classroom late or leaving early without authorization, etc.

Disruptive Behavior is prohibited. “Disruptive behavior” means conduct that materially and substantially interferes with or obstructs the teaching or learning process in the context of a classroom or educational setting. Disruptive behavior includes conduct that distracts or intimidates others in a manner that interferes with instructional activities, fails to adhere to an instructor’s appropriate classroom rules or instructions, or interferes with the normal operations of the college.

Mild Forms of Disruptive Behavior: Talking in class, arriving late, talking on cell phones, sleeping in class, and reading material unrelated to the class.

Instructors who experience students engaging in mild disruptive behavior should provide one or more of the following warnings: a verbal, e-mail, early warning referral or a written form of communication. The communication should identify the prohibited behavior that occurred, the rules that were violated, and the behavior that is required in the future. The warnings should also include notice

stating that any subsequent violation of the classroom rules or this policy may result in the instructor filling a student code of conduct complaint with the vice president of student services or assistant to the vice president of student services, and the assistant dean.

Mild Behaviors:

- Arriving late, or exiting early
- Making long-winded, or off-task comments
- Eating or drinking
- Conducting side conversations
- Talking/Text messaging on cell phones
- Complaining
- Spitting tobacco into a container
- Constantly disagreeing
- Bringing babies to class
- Making disrespectful or offensive comments or gestures to the instructor or fellow students
- Making inappropriate remarks
- Acting in an immature manner
- Acting in a bizarre manner
- Making exaggerated or emotional responses
- Appearing to be under the influence of chemicals
- Irrational, inappropriate, unrelated statements
- Engaging in exhibitionism

Severe Forms of Disruptive Behavior: Intimidation, insubordination, physical threats, and violence. If the disruptive behavior is serious or severe the proper authorities should first be contacted immediately.

The instructor must document the disruptive behavior in writing and file a Student Code of Conduct Complaint with the vice president of student services or assistant to the vice president of student services.

The complaint should also include a copy of any written warning provided to the student. The instructor must also notify his/her assistant dean or dean of the matter. Student services officials will investigate the complaint in accordance with the Student Handbook. The student disciplinary procedures shall govern all proceedings involving such complaints. Sanctions, if necessary, will be imposed in accordance with the Student Code of Conduct.

Severe Behavior: Intimidating or Aggressive Behaviors Toward Instructors:

- Defiant posturing
- Badgering
- Obscene gestures
- Verbal sniping
- Hostile arguing
- Menacing physical posturing
- Challenging
- Harassing or intimidating statements toward the instructor

SUSPENSION PERIODS

No student who has been suspended from the college shall be permitted on the college campus during the period of suspension without prior written approval from the appropriate vice president, who may convene the Appeals Board for consideration/consultation of the matter.

CHANGE OF GRADE

After a faculty member has reported a final semester grade to the registrar's office, such grade may not be changed except by the following procedure:

1. Completion of a "Change of Grade Request Form," secured from the office of the appropriate dean.

2. Action will be taken by the registrar's office upon the signature of the instructor and the appropriate dean.
3. With the exception of the "I" grade, no grade may be changed 30 days after the close of the semester.

GRADE CHALLENGE POLICY

Classroom instructors at Navarro College have the responsibility and authority to award final grades in the class they are teaching; however, grades must be based on college policy and written instructions in the form of a course syllabus. In cases where a student has a valid reason for challenging the grade awarded in a course, the student must first consult with the instructor and informally present his or her case. If the student and the instructor are not able to reach a mutual agreement, the student may request in writing, through the appropriate dean, a Grade Challenging Hearing. The appropriate dean must receive this written request within ten (10) days after the final grade for the course is assigned. If, in the judgment of the dean, there are valid reasons for a grade challenge, the dean will appoint a Grade Challenge Review Committee, which will consist of one student, one instructor, and one administrator, with the chairman of the committee also being appointed by the dean.

The Grade Review Committee will call a meeting. At that time, the case will be reviewed by first hearing the instructor's justification for the grade awarded and hearing the student's challenge of the grade. The instructor may present rebuttal testimony based on valid evidence after the student has stated his or her own position. The committee will then question both parties. The student and instructor may address questions to each other only through the chairman of the committee. Both parties have the right to counsel, but the hearing will be conducted in private with no spectators allowed in the meeting; both parties will be allowed to make summary statements.

After hearing both sides of the case, the committee will discuss the case in a closed session. Any decision must be based upon clear and convincing evidence. A written report of the committee's decision will

be prepared and mailed or delivered within 48 hours to the student and instructor.

If either party wishes to appeal the decision of the Grade Review Committee, he or she may do this in writing to the vice president of academic affairs. If there are valid reasons to continue the investigation, the vice president of academic affairs will then appoint the Administrative Staff Committee, consisting of three administrators, who will receive all evidence of the Grade Review Committee meeting and any additional evidence provided by the student and the instructor. Either or both parties may, in addition to the written statement, present any additional evidence orally. The committee will research the decision and prepare a written report that will be sent to each of the people concerned. The decision of the Administrative Staff Committee will be final and binding.

ACADEMIC DISHONESTY

The college expects all students to do their own schoolwork at all times. Any student guilty of dishonesty in academic work is subject to disciplinary action. College officials may begin such action if a student is accused of “cheating on academic work.” Cheating includes, but is not limited to:

1. Copying from another person’s test paper or academic work;
2. Using, during a test, materials not authorized by the person giving the test;
3. Collaborating, without authority, with another person during an examination or in preparing academic work;
4. Knowingly using, buying, selling, stealing, transporting or soliciting, in whole or in part, the contents of a test prior to its being fully administered, or without permission;
5. Substituting for another student, or permitting another person to substitute for oneself, to take a test or prepare other academic work; and

6. Stealing and deliberately using ideas or writings of others without giving credit, in writing, to them (plagiarism).

DISCIPLINARY PROCEDURES FOR ACADEMIC

DISHONESTY

When a student is accused of academic dishonesty, the faculty member and the student will first attempt to reach a resolution of the charges. If no resolution is achieved, the student may appeal to the assistant dean and then to the appropriate instructional dean for review of his/her case. If no resolution is reached at this point, the case is then referred to the discipline officer for disciplinary procedures.

RESPONSIBILITIES OF INFORMATION TECHNOLOGY

RESOURCE USERS

Members of the college community who use the college's information technology resources must act responsibly. Every user is responsible for the integrity of these resources. All users of college-owned or college-leased computing systems must respect the rights of other computer users, respect the integrity of the physical facilities and controls and respect all pertinent license and contractual agreements.

THIS IS THE LAW!

The college characterizes misuse of information technology resources and privileges as unethical and unacceptable and has just cause for taking disciplinary action. Misuse of information technology resources and privileges includes, but is not restricted to, the following:

- Attempting to modify or remove computer equipment, software or peripherals without proper authorization;
- Accessing computers, computer software, computer data or information, or networks without proper authorization, regardless of whether the computer, software, data, information or network in question is owned by the college. Abuse of the networks to which the college belongs or the computers at other sites connected to

those networks will be treated as an abuse of Navarro College information technology resource privileges;

- Circumventing or attempting to circumvent normal resource limits, log on procedures and security regulations;
- Using computing facilities, computer accounts or computer data for purposes other than they were intended or authorized;
- Sending fraudulent computer mail breaking into another user's electronic mailbox, or reading someone's electronic mail without his/her permission;
- Violating any software license agreement or copyright holders who are in possession of computer-generated data, reports or software;
- Using the college's information technology resources to harass or threaten other users;
- Taking advantage of another user or attempting to gain access to any computer account, data, software or file that is not one's own;
- Failure to sign the log in sheet in the computer lab;
- Encroaching on other's use of the college's computers (i.e. disrupting other's use by excessive game playing; by sending excessive messages, either locally or off campus, including but not limited to electronic chain letters; printing excessive copies of documents, data, files or programs; modifying system facilities, operating systems or disk partitions; attempting to crash or tie up a college computer; damaging or vandalizing college computing facilities, equipment, software or computing files);
- Disclosing or removing proprietary information, software, printed output or magnetic media without explicit permission of the owner;
- Reading other users' data, information, files or programs on a display screen, such as printed output or via electronic means, without the user's explicit permission;
- Writing or knowingly spreading viruses and worms or running "daemon" like processes that never terminate; and

- Executing or causing to execute any process that could significantly reduce system performance.

PENALTIES FOR VIOLATION OF POLICY

Penalties for violation of this policy range from loss of information technology resource privileges to dismissal from the college, criminal prosecution and/or civil action under the laws and regulations of the State of Texas, any municipality or county therein and/or the United States of America. Each case will be determined separately on its merits.

PROCEDURE FOR DISCIPLINARY ACTION

The procedures to be followed are those specified in the “Code of Student Conduct and Discipline” as printed in the Student Handbook. If the student in violation of this policy also is an employee of the college, sanctions may include termination of employment.

MISCELLANEOUS

HIV STATEMENT

Consideration of the existence of AIDS, a positive HIV antibody test or any communicable disease is not a part of the initial admission decision for those applying to attend Navarro College.

Navarro College students who have AIDS or a positive HIV antibody test, whether they are asymptomatic or not, shall be allowed regular classroom attendance and entry into all facilities and programs in an unrestricted manner as long as they are physically able to attend classes; however Navarro College reserves the right to exclude any person who poses a health or safety risk to themselves or others.

The college shall not require a screening of students or employees for HIV; however, Navarro College shall refer students or employees requesting such testing. Navarro College will provide NO medical information to anyone outside the college without the prior specific written consent of the patient, including those living in residence halls.

Knowledge shall be confined to those professional staff members with a direct need to know as determined by the colleges' legal counsel; however, Navarro College must strictly observe anonymous public health reporting for AIDS. For a copy of the Navarro College HIV policy and the Texas Department of Health HIV pamphlet, please contact Navarro College or the Student Activities office.

POLICY ON THREATS OR HARM TO SELF OR OTHERS

1. General Information

Navarro College is concerned about the well-being of all students. The college takes seriously any behavior, including a non-privileged verbal statement, that tends to demonstrate a student may harm himself or herself or another.

2. Policy Statement

Concern for the safety of each member of the Navarro College community has compelled the college to adopt the following policy. Any student who (a) states an intent or desire to harm himself or herself or another, (b) attempts to harm himself or herself or another, (c) harms himself or herself or another, or (d) exhibits behavior that indicates the student could be a danger or risk to himself or herself or another may not live in college residential facilities, participate in college academic programs, or participate in other college activities the college may deem to be harmful to the student or others until cleared to do so by the vice president of student services in accordance with the clearance procedure set forth below. The college reserves the right to determine what actions might be deemed as harmful to the student or another. The prohibition against living in college residential facilities, participation in college academic programs, or participation in other college activities the college deems to be harmful to the student or others is not disciplinary in nature; and the fact that such a prohibition has been imposed will not be entered in the student's disciplinary records. However, if the student engages in disruptive behavior (which may include, but is not limited to, the behavior that caused processing under this policy), fails to comply with the terms of the clearance procedure,

or violates a college policy such as harming another or stating the intent to harm another, the student may be subject to disciplinary action in accordance with the student disciplinary procedure. In which case, documents relevant to both processes may be placed in the student's disciplinary record.

3. Incident Reporting

If a student is in need of immediate medical treatment, the Navarro College Department of Public Safety (campus phone extension: 7500 or 903-654-3999) or 911 should be notified immediately. If a student or a faculty or staff member observes a student (a) stating an intent or desire to harm himself or herself or another, (b) attempting to harm himself or herself or another, (c) in the process of harming himself or herself or another, or (d) exhibits behavior that indicates the student could be a danger or risk to himself or herself or another, the person observing such behavior should report what was observed to the Navarro College Department of Public Safety (campus phone extension: 7500 or 903-654-3999) or 911 immediately and to the vice president of student services as soon as possible. The vice president of student services may consider the need to advise parents or the next of kin.

4. Clearance Procedure

(a) Notice

The vice president of student services, or his/her designee, may notify each student who has been observed (a) stating an intent or desire to harm himself or herself or another, (b) attempting to harm himself or herself or another, (c) in the process of harming himself or herself or another, or (d) exhibits behavior that indicates the student could be a danger or risk to himself or herself or another that he or she will not be permitted to continue to live in the college's residential facilities, participate in academic programs, or participate in other college activities the college deems to be harmful to the student or others until the student receives approval of the vice president of student services in accordance with this clearance procedure. If, after a student has been notified that he or she cannot live in the college's residential facilities, participate in the college academic programs, or participate in other

college activities the college deems to be harmful to the student or others, he or she violates the prohibition by entering a residence hall, attending class, or participating in an activity that has been prohibited, such violation may result in disciplinary action in accordance with the student disciplinary procedure.

(b) Evaluation by a qualified mental health professional

Before the vice president of student services may clear a student to live in the college's residential facilities, participate in the college's academic programs, or participate in other college activities the college had previously deemed to be harmful to the student or others, the student must have an assessment conducted by a licensed mental health professional, either a psychologist, psychiatrist, or a licensed mental health professional.

(c) Communication of results of evaluation

The student must arrange for the mental health professional who evaluated the student to contact the vice president of student services. Because the student's contact with the professional is confidential, the student will be requested to sign a release form permitting the mental health professional to disclose the evaluation to the vice president of student services.

The mental health professional will be asked to provide his or her opinion about

- (1) the student's readiness to resume living in the college's residential facilities, participation in the college's academic programs, or participation in other college activities the college had previously deemed to be harmful to the student or others, and
- (2) recommendations about conditions the college should impose on the student's participation that are in the student's best interest or the best interest of others.

The opinions of the mental health professional may be communicated orally at first for expedience but must be followed in writing.

(d) Student interview with the vice president of student services

After the student has been evaluated by a mental health professional, the student must schedule an interview with the vice president of student services. Interviews may be scheduled between the hours of 8 a.m. and 5 p.m. Monday through Friday. The purpose of the interview is to determine if the student will be allowed to resume living in the college's residential facilities and participation in the college's academic programs and nonacademic programs.

(e) Approval from the vice president of student services

Based upon the interview with the student and the results of the evaluation by the mental health professional that may include a physician's assessment and/or recommendation, the vice president of student services will make a decision about the student's ability to resume living in the college's residential facilities, participation in the college's academic programs, or participation in other college activities the college had previously deemed to be potentially harmful to the student or others.

If the vice president of student services determines that the student is able to resume living in the college's residential facilities, participate in the college's academic programs, or participate in other college activities the college had previously deemed to be potentially harmful to the student or others, the vice president of student services will provide a letter to the student stating the student has been cleared to return to residential facilities, classes, or other college activities. The student must present the letter to the residence life staff or any faculty or staff member who requests the letter as proof that the clearance process has been completed.

(f) Disapproval from the vice president of student services

I) If the vice president of student services determines that the student is not ready to return to the College residential facilities, the vice president of student services will assist the student with their withdrawal from the college residential facilities and will suggest other arrangements for off-campus housing. Any cost will be the responsibility of the student.

II) If the vice president of student services determines that the student is not ready to return to academic programs, the vice president of student services will assist the student with withdrawing from their college classes and assist the student in exploring other academic options for the student. Any cost will be the responsibility of the student.

III) If the vice president of student services determines that the student is not able to return to the college's services or programs other than residential facilities or academic programs, the vice president of student services will provide the student with written instructions regarding which activities or programs are prohibited, the length of the prohibition, and the conditions (if any) for re-admittance to those activities or programs.

5) Unavailability of the vice president of student services

In the event that the vice president of student services is unavailable to perform any task pursuant to this policy, the vice president of academic affairs shall act on behalf of the college.

6) Right to Appeal

The student will have the right to appeal any decision of the vice president of student services to the College's Behavioral Intervention Team. Any such appeal shall be made within five days from the date of the decision made by the vice president of student services, and any appeal shall be in writing. In response, the Behavioral Intervention Team, composed of a counselor acting as chair, the director or assistant director of residence life, and a campus police officer (typically the chief or the sergeant), will convene at the regularly scheduled weekly meeting, and without the presence of the vice president of student services. This group will review and determine the outcome for the student's appeal of the decision made by the vice president of student services. The final decision will be provided in writing to the student within three business days by the chair of the appeals committee and as signed by committee members of the Behavioral Intervention Team.

PARKING ON CAMPUS

Parking on the Navarro College campuses is provided to help promote access and convenience. As a privilege extended to the user, every attempt must be made to avoid the abuse of this privilege. The following policy has been developed to help manage parking on the Navarro College campuses and to help ensure automobiles/vehicles on campus are parked in a legitimate parking space.

Students – All students, whether Residence Life, commuter or Internet, enrolled in courses at Navarro College are required to register any automobile/vehicle for which they are responsible when they register for classes at the beginning of the fall term or the first term of enrollment. The parking permit issued is valid for the academic year, fall and spring semesters and summer session. In the event the student brings a different automobile/vehicle on campus, the new automobile/vehicle must be registered immediately. Parking permits are available in the Office of Admissions and Records with appropriate student identification. A license plate number for the automobile/vehicle being registered will be required. Failure to register an automobile/vehicle may result in the automobile/vehicle being towed and/or impounded.

The parking permit will be affixed to the lower corner of the front windshield. Students enrolled at Navarro College are permitted to park in any available parking stall provided the parking stall is not reserved for handicapped students, faculty/staff or residence hall area coordinators.

Residence Life students are encouraged to park their automobile/vehicle in parking spaces designated for Residence Life students. Residence Life students are also encouraged to walk to class and not move their automobile/vehicle to a more convenient location on campus.

Faculty and Staff – Faculty and staff are also required to register their automobile/vehicle and procure a parking permit. Faculty and staff will be issued a parking permit when they are employed by the college. The parking permit issued will remain with the employee's automobile/vehicle until such time that automobile/vehicle is replaced. Parking permits are available in the Office of Admissions and Records. Failure to register an automobile/vehicle may result in the automobile/vehicle being towed and/or impounded.

Faculty and staff will park their automobile/vehicle in spaces identified for faculty/staff. If all faculty/staff parking spaces are filled, faculty and staff may use other available spaces except those designated for handicapped parking (unless the faculty staff member is disabled and in need of a handicapped parking space).

Staff having responsibilities in Residence Life and assigned a parking space are encouraged to walk to their work station and not move their automobile/vehicle to a more convenient parking location on campus.

Administrative Management Personnel – Administrative management personnel are also required to register their automobile/vehicle and procure a parking permit. Parking permits will be issued when they are employed by the college. The parking permit issued will remain with the automobile/vehicle until such time that the automobile/vehicle is replaced. Parking permits are available in the Office of Admissions and Records. Failure to register an automobile/vehicle may result in the automobile/vehicle being towed and/or impounded.

With the exception of parking spaces marked for handicapped individuals, all administrative personnel may park their automobile/vehicle in any available parking space on campus.

Visitors - Navarro College understands there will be visitors on campus from time to time. All visitors to the campus will park their automobile/vehicle in areas designated for visitors. If the visit is prolonged beyond one (1) hour, a visitor's permit must be procured by the driver of the automobile/vehicle. An automobile/vehicle issued a long-term permit exceeding one (1) hour will be registered with Campus Police. All temporary permits will be issued by Campus Police on an as-needed basis. With the exception of handicapped parking, automobiles/vehicles with a temporary permit may park in any designated parking space on campus.

Weekend Permits - Navarro College often has parents of Residence Life students visiting on campus. In these instances, an automobile/vehicle on campus for a weekend or overnight must be registered with Campus Police. A temporary permit will be issued by Campus Police for the duration of stay. The parking permit will be displayed on the dashboard visible from the outside.

With the exception of handicapped parking, unless authorized, automobiles/vehicles with a temporary permit may park in all parking areas on the campus.

The driver of an automobile/vehicle on campus will be expected to follow all federal, state and municipal laws in effect for parking. Failure to adhere to these laws, including policies enacted by the Navarro College Board of Trustees, may result in the revocation of an issued permit, issuance of a citation, and towing and/or impound of the automobile/vehicle found to be in violation.

All automobiles/vehicles parked on the premises of all campuses of the Navarro College District must have a parking permit displayed on the front lower corner of the front windshield or a temporary permit displayed on the dashboard clearly visible from the outside. Any

automobile/vehicle parked in a Navarro College parking space without a parking permit or temporary permit after 11 p.m. will be towed at the owner's expense.

WATCHDOG ALERT SYSTEM

The WatchDog Alert System is an emergency notification system whereby you will be contacted by telephone, e-mail and text message in the event a weather-related or other emergency should develop on any of our four campuses. Resident Life students will also be alerted by an Outdoor Warning System that is located near the residence halls. The WatchDog Alert System is a free service to our students, faculty and staff. However, some participants receiving the text message alerts could be charged by their wireless provider. For more information, please contact Brandon Ford, Blackboard administrator, in the Computer Services Department in the Albritton Building on the Corsicana campus.
